SUN LIFE WALK TO CURE DIABETES

We are back at it! JDRF will be holding the 28th edition of the amazingly successful Sun Life Walk to Cure Diabetes. Our Canada wide event will be held on Sunday, June 13th, 2021. Within our own communities, participants will be walking a 5K route. I will be walking with members of my fantastic, enthusiastic & energetic team...

"SUZIE'S SWEETHEARTS"

The WALK brings together a family friendly community whose main goal is to find a CURE for Type 1 Diabetes. *We will find a cure!*
