Let's realize this dream together. With your sponsorship we can do it. Please sponsor me for the Juvenile Diabetes Foundation - 50 kilometer Cyclothon. This event will take place on May 24th, 1998 at Parc Lafontaine. Please join us this year. It is a fantastic event for the whole family. You can enjoy cycling, rollerblading, walking, face painting, rock climbing, parks, mascots, live entertainment, yummy snacks, and more! Come on board !

My greatest thanks to you and keep up the good cheer,
